

Personal Profile  
Susan Creek

Susan Creek joined United Way of Washington County TN in February of 2006 as the Office Assistant for Finance and Administration. She enjoys sharing the mission and purpose of the United Way with members our community. Susan Creek is a Wife, Mother, Grandmother, and Step-Great Grandmother. She and her husband Barry are the parents of 10 children, have 29 grandchildren and several step-great-grandchildren. While raising their children, she worked at Burger King, CibaVision Care, was owner/manager of a private daycare business, manager of an after-the-construction clean-up service and manager of a house cleaning service. She enjoys spending time with and sharing talents with her family and friends. She enjoys sharing her musical talents with others through church and community opportunities. She has spent all of her life in Christian service to others in all of the communities where she has lived and through church affiliations. She has served on the Board of Head Start and in Pack, Troop and District leadership positions in the BSA. She has served in leadership positions for many local community organizations. She worked at ETSU Bookstore, ETSU Adult Services and attended college from Fall 1995 until she graduated from East Tennessee State University in May of 2001 with a Bachelors Degree in Early Childhood Development and a minor in Child & Family Studies. Desiring to focus on making a difference each day for others, she sought out employment that would focus on helping others. She served abused and/or neglected children as the Volunteer Coordinator for CASA of Northeast Tennessee from Summer 2001 to Summer 2005. She spent a short time as the Human Resource Liaison for Owens Corning in Johnson City as it was moving its operations to other TN plants and closing the JC facility assisting the employees with their transition to other jobs or obtaining educational opportunities. She finds great joy and purpose in having the opportunity to serve others every day in the work place.
